### EDUCATION

#### Research Assistant

**Heidelberg Institute of Global Health, Heidelberg University**  
(Mentor: Prof. Till Bärnighausen)

Aug 2024-present

#### Visiting Researcher

**School of Public Health, Imperial College London** (Mentor: Dr Benedict Hayhoe and Dr. Grazia Antonacci)

Apr 2024-present

#### Ph.D. Student

**China Center for Health Development Studies (CCHDS), Peking University (985 & 211 Project)** (Supervisor: Prof. Ping He)

Sep 2020-present

- Rank: 4/56
- Courses (Selected): Health Economics, Health Policy, Econometrics and Management Quantitative Methodology, etc.
- Honors and Fellowships (Selected): Outstanding Scientific Research Award, Merit Student, etc.

#### B.A. in Management

**School of Public Health, Tianjin Medical University (211 Project)**

Sep 2016-June 2020

- Rank: 1/27
- Courses (Selected): Mathematics, Health Economics, Labor Economics, Statistics, Social Medicine, Health Service Research, etc.
- Honors and Fellowships (Selected): Merit Student, First-Class Scholarship of School, Excellent Graduate, etc.

### RESEARCH INTERESTS

- Social Epidemiology, Health Economics, Health Policy, Causal Inference, Implementation Science

### PUBLICATIONS

#### Peer Reviewed Articles (Selected)

## FUNDED RESEARCH

---

- Major Project of the National Social Science Fund of China, Research on Disability Prevention Strategies and Applications in The Context of Population Aging (21&ZD187) (Recognized Researcher) 2022-2024
- CMB-OC2, The Impact of Community-Based Rehabilitation Interventions on Quality of Care for People with Schizophrenia: A Cluster-Randomized Controlled Trial (20-375) (Recognized Researcher) 2021-2023
- Beijing Municipal Science & Technology Commission, Impact of Integrated Care on Patients with Diabetes and Depression and Evaluation of Health Economics (21I10124) (Recognized Researcher) 2021-2023
- National Social Science Foundation of China, Research on the Impact of Human Resource Patchwork of Emergency Medical Rescue Teams on the Maturity of Rescue Capability and its Improvement Countermeasures (19BGL247) (Recognized Researcher) 2020-2022

## SELECTED INVITED TALKS AND CONFERENCE PRESENTATIONS

---

- Second Doctoral Symposium on "Population and Development" (online), Oral Presentation July 2022
- Twentieth Quarterly Meeting of Labor Economics in China (online), Oral Presentation March 2022
- International Conference on Integrated Care 2022 (Online), Digital Poster May 2022
- International Conference on Integrated Care 2024, Oral Presentation April 2024
- European Health Economics Association 2024, Oral Presentation June 2024

## AWARDS

---

- The 15th "Challenge Cup" Extra-Curricular Academic Works Competition for College Students, *National Third Prize* 2019
- The 4th "Internet+" Student Innovation and Entrepreneurship Competition, *Second Prize of Tianjin* 2018
- The "Youth Creation" Tianjin Student Entrepreneurship Competition, *Second Prize of Tianjin* 2018
- The 15th "Challenge Cup" Extra-Curricular Academic Works Competition for College Students, *National Third Prize* 2017
